Types of online slot machines and games. There are four main types of slot machines in online gambling. Online slots range from the classic three-reel games based on the very first slot machines to multi-payline and progressive slots that come jam-packed with innovative bonus features and ways to win. Take a look at the slot varieties below for an introduction to each one. Three Reel Classics Multi-Payline and Multi-Reel Video Slots Progressive Slots. Three Reel Classics. Old-school slot machines, featuring the usual assortment of aces, lucky horseshoes and wild symbols. Here you need to line up three matching symbols on a single payline. Just set your coin value and away you go. Multi-Payline and Multi-Reel. Gives you many paylines to work with across multiple sets of reels. You'll usually find multi-reels with 25 or 50 paylines. Video Slots. A computerized version of a classic slot machine, video slots tend to incorporate specific theming elements, such as themed symbols, as well as bonus games and additional ways to win. Progressive Slots. These are slots connected across a network of sites with thousands of players feeding into a huge jackpot. The winner gets to take home a massive payday.
