How To Increase Memory Slots In Elden Ring? Read this guide to learn how to increase and get more memory slots in Elden Ring. Knowing how to increase and get more memory slots in Elden Ring is quite important, especially if you rely heavily on magic. However, doing so can be easier said than done, especially if you are not too familiar with how the game works. To simplify this process, we have got just the guide for you. Here, we will show you all you need to do in order to increase and get more memory slots. How to Increase Memory Slots in Elden Ring? To increase and get more Memory Slots in Elden

Ring, you first need to head over to a Site of Grace to rest after you encounter Margit. Doing so will see you end up at the Roundtable Hold. You can also get your hands on memory slots as a reward for defeating major bosses and enemies. Killing certain minibosses, too, can help you get these precious slots. Moving on, you can also get memory slots by successfully completing Legacy Dungeons. If you do not want to grind your way to these stones, and simply prefer to skip all the hard work, you can simply head over to Roundtable Hold and speak to the Twin Maiden Husks. You can then buy a single slot for the price of 3,000 Runes. So there you have it. This is all you need to do to get your hands on these precious slots. As you can see, doing so is not too difficult. While you do have the option to simply go ahead and buy yourself a slot by paying outright, we do not recommend doing so. We recommend you actually play the game and work to earn the slots. While doing so may appear tedious, you will come to realise that it is actually way more fun. And now that you know all about memory slots, take a look at our guide on How to Get More Spell Slots in Elden Ring.
